

River Clean Up

Est. 1993

info@rivercleanuplacrosse.com

Since 1993, the 100% volunteer-run River Clean Up has pulled close to 1 million pounds of trash from area wetlands. We're one of the largest volunteer-led clean-up initiatives in the Midwest with more than 8,000 volunteers in more than 30 years.

The success of our initiative is influenced by the generosity of our donors. Those who give make a meaningful difference in the health and stability of our priceless rivers, lakes, and streams.

Interested in preserving the Driftless' waters? Donations can be submitted online by scanning the QR code or completing the form below and attaching to a check payable to La Crosse Community Foundation. Please put River Clean Up in the memo section.

Monetary and in-kind donations are accepted.
